Hustle Mode On

Bold Dynamic German-engineered

The new Volkswagen T-Cross is built for those with an appetite for more.

Its bold design complements those who are eager to leave their mark on the world, its dynamic performance fuels their desire to win, and its German-engineered precision lets them hustle hard, day in and day out. For the resilient dreamers. The unapologetic doers. The inextinguishable livewires – Volkswagen presents an SUV that hustles just as hard as you do.

Bold Mode On

Commanding Exterior

At first sight, you know the T-Cross means business.

Vibrant, charismatic and dressed to hustle, it turns heads at every corner, as you and the T-Cross blaze your own path. Leading with a bold 3D chrome step grille, it lets you make a power move, even as it stands still. The muscular elevated bonnet lets you tower above the naysayers.

The stunning LED headlamps* shine a light on the road ahead, while the T-Cross' signature chrome wing marks its distinguished presence.

The side profile of the T-Cross is as athletic as it is elegant. The dual shoulder lines provide a sharp definition across the sides, as the sporty Cassino alloy wheels* leave a lasting impression while they spin. The T-Cross lets you hold the world's attention, long after you've passed them by. The Infinity LED tail lamps run seamlessly from edge to edge, creating the impression of an endless beam of light. The silver diffuser amplifies the raised stance giving it a strong SUV character. And finally, the stylish Volkswagen logo captures the bold attitude of the T-Cross.

*Only available in the Topline models

Wheels & Tyres

Belmont
16" alloy wheels
(Standard on Highline)

Cassino
17" alloy wheels
(Standard on Topline)

Premium interiors

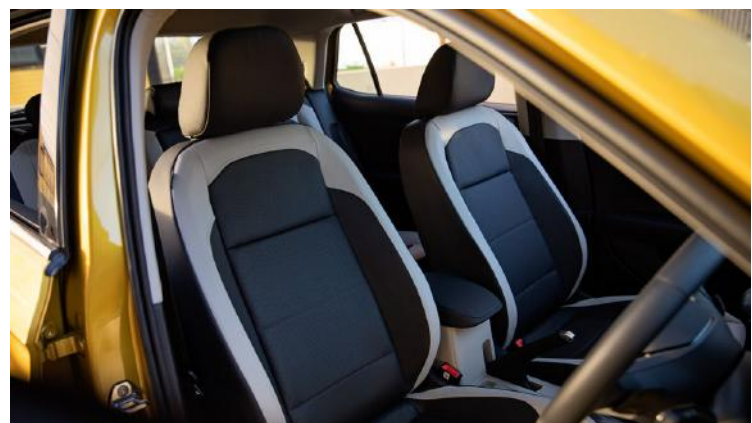

White ambient lighting

The T-Cross is created to keep both your comfort and convenience in mind.

The ergonomically designed seats with bolsters and the efficiently designed rear floor tunnel make for spacious and comfortable seating for passengers. While the rear armrest with cup holder, rear air conditioning vents and charging points make every journey easy and effortless.

Spacious and comfortable

The T-Cross' massive boot space, with an impressive 385-litre capacity, helps you pack more into your daily hustle. The folding rear seat creates a world of convenience by making space for both passengers and luggage. The front armrest adds comfort to every ride, while the bottle holder and storage on all doors ensure you never run out of space. The T-Cross' storage design considers the little details like the phone holder, key holder and coin holder so that you keep your focus on the big picture. The cooled glove box keeps your food and drinks cool and makes your hustle as comfortable as possible.

Dynamic Mode On

Powerful performance

The thrill of the hustle is in the chase for perfection. With Volkswagen's powerful engine at its heart, the T-Cross makes for a fun-to-drive yet highly efficient SUV. Available in the Highline and Topline with 1.6 MPI 81kW engines that are designed to deliver instant power with minimum consumption and maximum efficiency.

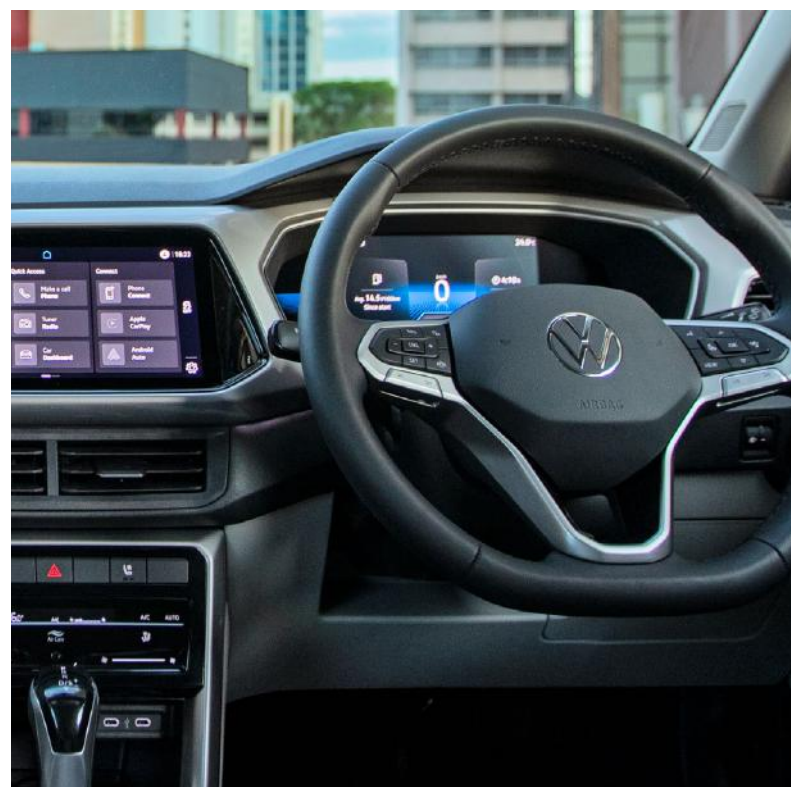

Tech Mode On In sync with the hustle

When it comes to technology, the T-Cross helps you stay one step ahead in the hustle.

The 8-inch digital cockpit* has a slick yet user-friendly interface which shares data that gives you insights into your driving. Intuitive and advanced, you can customise your digital cockpit as you select between analogue and digital formats.

The 10-inch touchscreen infotainment system comes equipped with features including Wireless App Connect which lets you sync your devices directly with the T-Cross. Its ergonomic placement also ensures your eyes stay on the road and it even serves as a display for the rear camera and sensors. Wireless mobile charging lets you replenish your mobile's battery, free from the hassle of wires. Giving you a truly wireless experience that ensures you're always charged for the hustle.

And the USB sockets ensure modern charging ports, so you never miss a second of the hustle. While the 6-speaker sound system gives you unmatched acoustics ensuring your hustle always has a soundtrack to match.

*Only available in the Topline models

Smart Mode

Intuitive and thoughtful

The T-Cross is designed to help you play smart and to stay ahead in the hustle.

KESY (Keyless Entry Start and Stop System)* lets you kickstart your everyday grind with just the push of a button. The multi-function steering wheel allows you to stay on top of everything, giving you control of the infotainment system, digital cockpit as well as cruise control and voice command. Finally, the electric sunroof* opens your T-Cross to the world.

Smart response

The auto headlights respond intuitively to the light outside. The intelligent rain-sensing wipers come on automatically in case of a downpour. The Climatronic air conditioner intuitively adjusts the car's temperature with just your touch. The ventilated seats* are specially designed for hot weather, keeping you cool as you hustle your way through extreme conditions.

*Only available in the Topline models

Designed to protect

No one ever hustled to the top by playing it safe. Until now. With trustworthy and reliable German engineering at its heart, the T-Cross' strong body shell keeps you secure. Along with 6 airbags which ensure safety in the event of a critical crash and ESC (Electronic Stability Control), which detects critical situations and prevents skidding to bring the SUV safely under your control.

Multi-collision brakes, on the other hand, prevent follow-on collisions, intuitively reducing the risk of personal injury. Hill Start Assist prevents your car from rolling back on slopes. The 3-point seatbelts in the rear and ISOFIX mounts for the child seat ensure that the T-Cross is always safe and secure for all occupants.
